Shhh... Speakeasy Silent Auction

Get a wiggle on! Don't you hear that 20s trumpet?

It's time to get dolled up to join those bright young things and dance the night away!

We'd like to invite you and your business to be a part of CLUB 20: a roaring 20s themed night out! The giggle water will be flowing at Victoria's Union Club for one night only, Friday, October 12th.

Much of the success of CLUB 20 depends on the support of local businesses and individuals donating items, gift certificates, travel packages, baskets, or services to the silent auction. Funds raised at CLUB 20 will support the ongoing training of Canada's future performing artists and cultural leaders.

Businesses supporting the CLUB 20 Silent Auction will receive direct exposure to approximately 200 guests who:

- ◆ Are approximately 35 to 65 years old, professional, and well educated.
- ◆ Are appreciative of fine meals, cultural activities, family fun, sports and art.
- ◆ Have disposable incomes and treasure unique experiences.

Businesses will also receive:

- ◆ Recognition on the auction signage & bid sheet.
- ◆ Acknowledgement on the CCPA website.
- ◆ The opportunity to provide business cards and/or brochures for display.

Donating an auction item is easy—simply fill out the enclosed form and return it to our office. We also have partnership opportunities available, ranging from \$1000 to \$5000. Please let us know if you would like information on partnership benefits.

We encourage you to take a few moments to consider how your business can benefit from being aligned with the Canadian College of Performing Arts and having a profile with this unique target market. By doing so, you are also helping CCPA in continuing its mission to train young Canadians in excellence in the performing arts.

Tickets are available for this unique event by calling us at 250-595-9970 or by visiting club20.ca
We look forward to hearing from you.

Thank You
