Rentals are available for performances and studio use. A keyholder is required to access and lock up the facility for rentals outside business hours. Recurring or longer-term renters with an established relationship can request the training to have this fee waived.

All additional Keyholder, Box Office, or College Technician hiring rates are \$30/hr. A technician is required for any technical elements in the Performance Hall beyond basic audio playback and work lights. Guest technicians must be approved by our Production Manager in order to handle College equipment. Keyholder and College technician rates are \$30/hr.

Renters are encouraged to hire CCPA box office staff, but may use their own if available. Ushers can be volunteers. A Capital Improvement Fee will be charged for groups numbering more than 8 people to account for utilities, and wear and tear on the facility.

All renters must provide proof of liability insurance (minimum \$2 million) before the rental use showing the Canadian Heritage Arts Society (owner of CCPA), St. Mary's Church, and the Anglican Church of Canada as named insured. Free residential street parking is available after 6:00pm Monday through Friday, and all day on weekends. Limited spaces are available in the St. Mary's Church parking lot adjacent to the College.

Availability: Longer-term rentals for studios, and Performance Hall rentals can be accommodated between May and August. Availability is limited to select evenings and weekend days during the school year, as College spaces are in high demand from September to April.
